Bolivar Medical Center is proud to be a part of Cleveland and the surrounding area. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region's overall well-being. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for supporting our mission of Making Communities Healthier®.
