Our team at Bolivar Medical Center, consisting of over 400 dedicated professionals, is committed to your health and well-being and extends our heartfelt gratitude to you. We deeply appreciate your choice in selecting our hospital for your healthcare needs, and we are honored by the trust you place in the skilled hands of Bolivar's healthcare experts. None of the accomplishments highlighted in this report, illustrating

the ways in which our hospital enriches the Cleveland area, would be achievable without your support.

Our 2023 Community Benefit Report offers insights into our multifaceted contributions, both inside and outside our hospital walls, as part of the collaborative partnership we share with you and this community. Beyond being your preferred healthcare provider, we proudly stand as one of the region's largest employers and taxpayers.

Moreover, we are steadfast supporters of organizations aligned with our mission of enhancing the well-being of this region. Additionally, we serve as a crucial component of the area's healthcare safety net, delivering millions of dollars in care annually to individuals in need.

We are delighted to present the positive impact we have made throughout 2023, and we remain committed to being your partner in promoting better health and fostering a stronger community.

Sincerely,
Jimmy Young, CEO
Bolivar Medical Center

In 2023, we...

2023 Success Spotlight

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. In 2023, we added 27 providers in Emergency Medicine, Geriatric Psychiatry, Family Medicine, Internal Medicine, Nephrology, Orthopedic Surgery and Radiology.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

In 2023, we provided more than \$19 million in services to those in need of healthcare but without the means to pay.

We are proud to be a leader in our communities, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
