901 Hwy. 8 East, Cleveland, Mississippi 38732 | **662.846.0061**

There is nothing that our dedicated team holds more sacred than the honor of serving this community and being entrusted to take care of our friends and neighbors. As one of the area's essential providers of healthcare and as a large employer, our hospital is proud to call this community home. We are proud to have joined ScionHealth, a national health system dedicated to excellence and empowering care for health providers in our community. In addition, we are thankful for partners like you who help us to advance our mission of providing great healthcare to our community and creating a place where great physicians and caregivers want to work. Thank you.

— Jimmy Young, *CEO*

## In 2021, we...

...added 30 affiliated providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in women's health, pediatrics, emergency care, family medicine and lung cancer screening.

...made more than \$1.4 million in capital improvements

**By continually investing in our facilities,** we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included renovations and safety upgrades for our behavioral health unit and 3D mammography.

...distributed a payroll of \$29,288,222 to more than 400 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$18.2 million in services to those in need

**Delivering care to all of our neighbors,** regardless of their ability to pay, is foundational to our mission.

...paid \$3,785,211 in taxes

**We are proud to be a leader in our region,** and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Staff support one another for their commitment to patient health today, tomorrow and into the future.

Hospital staff support National Donate Life Green and Blue Day for organ and tissue donation.
