SKILLED NURSING FACILITY LOCATED  
IN BOLIVAR MEDICAL CENTER

Bolivar Medical Center's Swing Bed Unit is a 12 bed skilled nursing facility located within the hospital licensed by the Mississippi State Department of Health and accredited by Joint Commission. The Swing Bed Unit specializes in caring for persons in need of special skilled nursing care and rehabilitation by trained therapists. A coordinated, multi-disciplinary program is provided to help each patient meet his/her highest level of physical, mental, and psychosocial functioning. The staff provides the patient with personalized care that offers the opportunity for the patient to learn skills needed to manage his/her health after discharge.
